## Class Reunions Commencement Feature

### Alumni to Gather--Dr. H. L. Smith Annual Orator.

The coming Commencement promises indeed to be one of the most interesting for several years. A number of new features, such as the Academic Procession and Class Day Exercises, will serve to add variety to the usual program. Davidson has been especially fortunate this year in the speakers that have been secured for the occasion--Rev. R. E. Leyburn, D.D., of Durham, N. C., pastor of the First Presbyterian Church of Durham; Rev. B. F. Wilson, D.D., of Harrisonburg, Va., for many years President of Converse College, and Prof. S. H. Edmunds, of Sumter, S. C., a well known alumnus of Davidson.

Instead of having the Annual Literary Address at 11:30 a. m., Tuesday, it was decided to place the Senior Orations at this time and have the Annual Literary Address immediately before the Graduating Exercises on Wednesday morning. President Henry Louis Smith, of Washington and Lee University, will deliver this address, and it is very fitting that the one who will in a way bid farewell to the class of 1915 should be the one who gave it such a hearty welcome when it first came to Davidson as a band of "wee freshies."

It is hoped that all of the classes will make an attempt to have a representation at Commencement, and especially the classes of 1880, 1800, 1895, 1905, 1908, 1910 and 1914. As has become custom at Davidson, one of the dormitories will be set aside for the alumni so that old classmates can be together as much as possible. According to all reports a number of relatives of the students with a goodly number of "best girls" will be present, and the social side of Commencement should be a great success.

### GRYPHON MEDAL AWARDED.

Frank W. Price has been awarded the Gryphon medal, which is each year given by the Order of the Gryphons to the man in the Senior class who has accomplished most for the college during the four years.

During his course Price has been a constant worker in practically every department of college life. He has been President of the Y. M. C. A. during his Senior year; Editor-in-chief of THE DAVIDSONIAN; member of the Annual Staff, and of the Magazine Staff; Chief Marshal; Student Council member; Chairman Debating Council; member of the Inter-collegiate Debating Team. He has also received the Fiction Medal, Junior-Senior Debater's Medal, and has made the honor roll, averaging over 97 for the four years.

This final recognition of his worth and of the work which he has done for the college meets the universal approval of the entire student body.

### THE COMMENCEMENT INVITATIONS ATTRACTIVE

The Commencement invitations arrived the first of the week and were distributed immediately. The paper invitations this year are bound in beautiful white, with a light shade feature, and are tied with red and black tassel. The little booklet contains the full program of Commencement exercises, with list of the graduating class and marshals.

## Crowds of Visitors Expected Next Week

## Base Ball Letters Awarded to Players

### Coach Fetzer Outlines Plans--Managers Elected.

Last Monday night at a meeting of the Athletic Association the base ball and track D's and D. C.'s were awarded by Coach Fetzer. Those who received the base ball D. with a star were: Captain Alford, Christenbury, Stough, and Brown. The new men who received the D. for the first time were: Groom, Lawson, Hengeveld, Keesler, S. R., Black, Wood, Saunders and Manager Shaw. Those who were awarded the D. C. were: Hughes, S. W., McKeithen, J. E., Daffin, McKinnon, L. D., Douglas, Pharr, Moore and Barnett. Those receiving the track D. with a star: N. Johnson and Gilchrist; while the new D. men are: Anderson, Johnson, W. A., Crouch and Worth.

Coach Fetzer in an earnest speech outlined the plans for next year. The Alumni, as they are straining every nerve to raise the required amount for the new Gymnasium, will not be called upon at all to help with the support of athletics here. Fetzer suggested that each class next year raise in behalf of athletics one hundred dollars. He went on to say what a great thing the Gymnasium would be to Davidson, that the Alumni were doing a great work trying to build it, and that it rested upon the student body to take their place in the support of athletics.

The following managers were also recently elected: Base ball, R. G. Finley; basket ball, R. W. McKay; assistant foot ball, Reese and Hampton.

It was recommended and adopted that all the letters be made of the same design, the only difference being in the size--the foot ball to have the large D, base ball the smaller D, and basket ball to have the smallest D.

### CLARK WINS GOLF FINALS.

The finals in the Golf Tournament were played off on Tuesday, the 5th, between Dr. Moore McConnell and J. W. Clark. It was decided by those playing that two rounds should determine the winner on account of the pressing duties of the former.

In the first round it seemed that both of the players were off their usual form on account of lack of practice, but from the start it looked as if the match was to be a very close one indeed. At the end of the first round the score was 1 up for Clark, but from then on he strengthened and Dr. McConnell played the same that he did at the start. Clark then won in succession the 10th, 11th and 12th. From then the match was Clark's to the finish.

The final score was 6 on and 1 to play in favor of Clark. The score by holes for the first round were: Dr. McConnell, 57, and Clark, 50. For the second round Dr. McConnell, 50, and Clark, 47, making for a total Dr. McConnell, 107, and Clark, 97.

### THE ANNUALS WILL ARRIVE TOMORROW

The Annuals should be here tomorrow, and will be given out as soon as possible after their arrival. No extra copies will be given out until all of the first copies are sold. Further announcements will be made later.

### DR. CALDWELL FILLS PULPIT.

On last Sunday, Dr. E. C. Caldwell, who is to take the chair recently vacated by the late Dr. English, at Union Seminary, spoke at both morning and evening church services. In the morning he spoke on the "Fall and Rise of Simon Peter," Luke 22:31, 32, presenting four definite lessons of warning and encouragement. He showed first that Satan may lead good people to commit a great sin; second, that this is brought about by almost imperceptible steps downward; third, that no matter how far the Christian falls, Christ is always ready to bring him back; and lastly, that after being restored Christ is willing to use the Christian mightily.

At the second service Dr. Caldwell took for his text Mark 10:17-22, and spoke on the "Rich Young Ruler"—the only man who ever came to Christ as an earnest seeker and then went away dissatisfied. He pointed out the one reason—refusal to put Christ first in his life—and drew a strong lesson for every hearer.

Dr. Caldwell is an able and forceful speaker, and the whole student body enjoyed his brief visit.

### ORCHESTRA PROSPECTS ARE VERY BRIGHT

At a recent meeting of the Orchestra and Glee Club, F. H. Baker was elected leader for the coming year, and E. P. Childs, manager. The organization is planning to give a specially good concert next Monday afternoon, and has been practicing almost daily for some time. During J. F. Harper's absence this week Baker is taking charge of the Orchestra. This year has been one of the best in the history of the Davidson musical organization, and a large part of this success has been due to Harper's efficient leadership, and especially to the faithful practice of the whole club. Although the club will lose four or five members this year, prospects are very bright for next year, and the club should have little trouble maintaining the reputation made by this year's club throughout the South.

James Harmer and John Carriker are spending the week at their homes.

## Y. M. C. A. NEWS.

The meeting of the Y. M. C. A. Thursday night, May 6, was devoted to the discussion of the Social Center Plan for next year. The president of the association called on several men to give their views on the matter, and each and every man called on was heartily in favor of the plan as outlined in the last issue of THE DAVIDSONIAN. At 8:30 the same evening the canvassing of the dormitories was begun for damage fees to be devoted for this purpose. Very few fellows refused this offer, the majority being heartily in favor with the proposition. This work is to be done under the auspices of the Y. M. C. A., and will necessarily add to the association in every way.

**BLUE PENCIL CLUB GIVEN  
SIGMA UPSILON CHARTER**

The Blue Pencil Club, which was organized last January and which has been doing active work all spring, was initiated into Sigma Upsilon, the National Literary Fraternity, on Monday night, May 12. Mr. W. D. Kerr, a member of the Odd Number Chapter at the University of North Carolina, and a former student at Davidson, was the representative of the national organization at the initiation.

The Blue Pencil Club was organized early in the year for the purpose of increasing wide literary interest and encouraging creative-literary ability. The monthly meetings are informally conducted and devoted to mutual discussion of papers, authors and literary problems.

The Sigma Upsilon National Literary Fraternity which has granted the Davidson Blue Pencil Club a charter was organized by literary clubs from Sewanee, Vanderbilt, University of Georgia and Randolph-Macon in 1906. Since then, twelve other chapters have been formed, including clubs at University of North Carolina, Mississippi, Texas, South Carolina, Alabama, Washington, Trinity and others. The organization is practically non-secret and has for its aim the binding together of the college literary clubs in the United States for the sake of mutual helpfulness.

The charter members of the Davidson club are U. S. Alexander, J. E. Faw, G. W. Gignilliat, J. W. S. Gilchrist, W. A. McIlwaine, F. W. Price, J. P. Williams, F. H. Smith, T. D. Sparrow and W. G. Somerville have been elected as members from the present Junior class.

The aim of the Blue Pencil Club is expressed in the following excerpt from its constitution: "The object shall be to promote effective literary work among the students. Membership shall be based on creative literary ability in its broadest sense."

Last Tuesday night a most enjoyable feed was given by the new to the old members of the Debating Council. Ice cream and cake were served in abundance, and much lively talk took place. It was greatly enjoyed by all.

**BLUE RIDGE SLIDES SHOWN.**

Instead of the usual Thursday night meeting the Y. M. C. A. service of last week was held on Sunday evening at 8:15. Mr. Norman Johnson spoke on "Blue Ridge and the Summer Conference," and illustrated his talk with a number of excellent stereopticon pictures. Mr. Johnson spoke first of the location of the famous "Robert E. Lee Hall," and gave a glimpse of the beautiful scenery of the neighborhood. He then showed something of the equipment, including pictures of the "Hall," both inside and out, and gave pictures of various groups of student visitors, and also pictures of several speakers of the coming season. Illustrations were then shown of the base ball diamond, tennis courts, swimming pool, etc., and Johnson spoke of how hotly the various colleges contested for athletic honors of all kinds. In conclusion several pictures of college cottages near the "Hall" were shown, and it was urged that all who can should go to the conferences, June 15-25. The new Davidson cottage should be filled and Davidson should keep her place among the Southern delegations.

**HIGH SCHOOL.  
COMMENCEMENT**

The Commencement exercises of the Davidson Graded School were held in Shearer Hall, Monday night, May 10, and were witnessed by a large and appreciative gathering of parents and friends.

A beautiful little tableau was first given, "The Crowning of the King and Queen of the Fairies," followed by an Indian act on the part of the boys, and a song by the girls of the fourth grade.

A very interesting recitation and declamation contest was then held, and all the contestants did themselves credit.

The remainder of the evening was devoted to the exercises of the High School graduating class. James Foster made the salutatory speech, followed by the class history by Miss Lillian Houston. The class prophecy, which evoked much mirth, was rendered by Robert Dunn Alexander. The valedictorian, Craighead Young, gave a splendid speech, enjoyed by all.

Diplomas were then given, and prizes

## DR. LAFFERTY URGES ALUMNI TO RETURN

## ALUMNI TO RETURN

Many things are happening at Davidson that are of interest not only to the present student body, but also to every one who knows the college and who has a warm spot in his heart for the old town. We would like for you to keep in close touch with the college and the happenings on the campus, and there is no better way to do this than to subscribe for this paper, unless you visit the campus once a week. And speaking of visiting the campus, is it not possible to visit it at least once a year? Come this year to Commencement and let us make it the biggest Alumni Commencement in the history of the college.

Are you not still loyal to the college? Are you not interested in hearing of the success in clean athletics and in the debates with other colleges? Are you not interested in learning something of the improvement and plans for bigger and better things that are on foot? Take THE DAVIDSONIAN and come to Commencement and you will be glad.

Don't Knock, Boost!

ROBT. H. LAFFERTY,  
Pres. Alumni Association.

## ALUMNI REUNIONS.

The Class of 1914 will endeavor to have a full reunion at Commencement. J. R. McGregor and H. L. Eliot have sent out the call to their classmates.

Dr. Lafferty, President of the Alumni Association, writes as follows: "Why do you not attend Commencement? Because so few of the fellows are back? There would be none back if all did like you and said that. Get up a crowd of your classmates and chums and come again and a room will be yours. Because there is nothing to interest me? Come and make something 'be doing.' Read at another place the Commencement program, and see if you cannot come and help make it a great Commencement."

At a recent meeting of the live Alumni chapter in Atlanta, the following officers were elected: H. L. Parry, president; W. E. Hill, vice-president; H. C. Caldwell, secretary and treasurer. This chapter has on its rolls nearly fifty members, scattered all over Georgia. About thirty-five live in Atlanta.

## STORE AND DEPOT ROBBED.

On last Monday night Goodrum's store was broken into and several articles were taken. The cash drawer was broken into and a small amount was found and taken. Several pairs of shoes, a number of neckties, and several hats were also removed.

On the same night the depot was also entered, but nothing except two barrels of flour seems to have been removed from it.
