

When Tomorrow Starts Without Me

*"When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
All filled with tears for me,
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say,
I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too...
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart."

We've been together since way back when
 Sometimes I never want to see you again
 But I want you to know, after all these years

You're still the one I want whisperin' in my ear

You're still the one—I want to talk to in bed

Still the one—that turns my head

We're still having fun, and you're still the one.

You're still the one—that makes me *laugh*

Still the one—that's *my better half*

We're still having fun, and you're still the one

You're still the one—that makes me strong

Still the one—I want to take along

We're still having fun, and you're still the one (yes you are)

Changing, our love is going gold

Even though we grow old, it grows new

You're still the one—that I love to touch

Still the one—and I can't get enough

We're still having fun, and

You're still the one
