Directory of

POST OFFICES

**UNITED STATES
POST OFFICE DEPARTMENT
WASHINGTON 25, D. C.**

Preface

The Directory of Post Offices replaces the U. S. Official Postal Guide, Part I, Domestic. It contains the following lists:

1. Post Offices, Branch Post Offices, and Stations.
2. Army Posts, Camps, and Stations and Air Force Bases, Fields, and Installations With Post Offices.
3. Post Offices Discontinued and Names Changed.

List 1 is arranged under States alphabetically by post offices, symbolized to provide the information formerly shown in three separate lists in the Postal Guide, Part I.

List 2 consists of Army posts, camps, and stations and Air Force bases, fields, and installations with post offices.

List 3 consists of post offices which have been discontinued and post offices which have had a change in name during the preceding 2 years.

This directory is for use primarily in identifying post offices and in computing parcel-post rates. Information regarding services available, rates, fees, and conditions under which services may be obtained and procedure for use of zone keys are contained in chapters 1 and 2 of the Postal Manual.

Changes to this directory will be made monthly by the issuance of looseleaf pages.

List of Post Offices, Branch Post Offices, and Stations

- † Post offices issuing international money orders.
 C. Offices having city delivery.
 G. Offices located in Government buildings.
 ° Postal savings depositories.
 K. Rotary-lock key (third- and fourth class offices).
 ch Post office where county seat courthouse is located.
 MOS Money order station.
 ‡ Summer offices.
- ‡ Winter offices.
 z Classified station or branch.
 R. Rural stations.
 V. Offices having village delivery.
 Ind. Independent for receipt and dispatch of registered mail.
 S. Offices having star route service.
 Z. Offices having delivery zone number system.
 X. Offices having rural delivery service.

The figures 1, 2, and 3 following the names of post offices represent the class, and those offices, excluding stations and branches, without number, are fourth class.

The office number shown in the column headed "No." must be used on all vouchers, statements, and accounts and in all correspondence with the Post Office Department and the General Accounting Office concerning these vouchers, statements, and accounts. Branches and stations are not numbered.

The parcel post unit number for each post office, branch and station is shown in the column headed "Unit." The space following each unit number in the column headed "Zone" is provided for insertion of zone after its determination from zone key. A branch office or a station is in the same unit as the main office. Refer to postmaster for information relative to use of zone keys.

Postal savings deposits can be made only at post offices, branches, and stations that are authorized to transact postal-savings business, as indicated by the symbol (°) prefixed to name of office. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All branches and stations pay money orders, register letters and parcels, and sell postage stamped paper. Lettered and named stations, in addition, receive, deliver, and dispatch mail matter. Money orders are issued at all post offices, branches and stations except those indicated by an asterisk (*). At the larger camps and forts where postal units are formed to afford service to the army personnel, and regular stations are not established, such units are designated for accounting purposes as money-order stations. They are listed under the base post office.

Postal delivery zone number books may be obtained without charge from offices having delivery zone number system.
