# STATE LIST

## Post Offices, Branch Post Offices, and Stations

- C. Offices having city delivery.
- G. Offices located in Government buildings.
- Ind. Independent for receipt and dispatch of registered and other mail.
- Independent City.* Independent of any county or county government. (See Maryland, Missouri, and Virginia in County List).
- K. Rotary-lock key (third- and fourth-class offices). All first- and second-class offices are furnished rotary-lock keys.
- MOU. Money order unit.
- NP (*Non-personnel*). Experimental self-service R. Station. Outgoing mail deposited in unit is postmarked at post office to which station is tributary.
- R. Rural stations.
- V. Offices having village delivery.
- † Post offices issuing international money orders.
- § Summer offices.
- || Winter offices.
- ° Postal savings depositories.
- x Classified station or branch.

Classified stations and branches are not symbolized in the State alphabetical listing (See symbol under main post office listing).

Contract stations and branches are not symbolized.

Abbreviation of the names of States is shown directly beneath the name of each State.

The figures 1, 2, and 3 following the names of post offices represent the class of office. Those offices, excluding stations and branches, without number, are fourth class.

The office number shown in the column headed "No.," preceded by the State Code, shown at the beginning of each State list, must be used on all vouchers, statements, and accounts and in all correspondence with the Post Office Department and the General Accounting Office concerning these vouchers, statements, and accounts; for example, Abbeville, Ala., 01-00200. Branches and stations are assigned the same number as the parent office.

Postal savings deposits can be made only at post offices, branches, and stations that are authorized to transact postal-savings business, as indicated by the symbol (°) prefixed to name of office. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All branches and stations pay money orders, register letters and parcels, and sell postage stamped paper. Lettered and named stations, in addition, may receive, deliver, and dispatch mail matter. Money orders are issued at all post offices, branches and stations except those indicated by an asterisk (\*). At the larger military installations where postal units are formed to afford service to military personnel, and regular stations are not established, such units are designated for accounting purposes as money-order units.
