To determine the ZIP Code for specific addresses in zoned cities, it will be necessary to consult the ZIP Code directory for that city (See list—Zoned Offices For Which Individual ZIP Code Directories are Available), or a State ZIP Code directory containing such information for all zoned post offices in each State. If you live in a zoned city, the local ZIP Code directory is available from your post office without charge. At the larger military installations where postal units are formed to afford service to military personnel, and regular stations are not established, such units are designated for accounting purposes as money order units.

INSTRUCTIONS to Mailers on Use of Parcel Post Zone Keys

Each unit of area is numbered, and post offices located within the unit are assigned unit zone numbers which are listed opposite the names of the post offices. A zone key has been prepared for each unit of area showing in numerical order the zones in which all other units are located in relation thereto. The

same zone key is used at all post offices located in any one unit of area. Branches and stations are located in the same county as that of the main post office, except those indicated by a footnote.

A local parcel post zone key, with a list of parcel post rates, may be obtained *free of charge* from your
