° Postal savings depositories.

x Classified station or branch.

\* No domestic money order service.

¶ Refer to city or State ZIP Code directory for complete number for specific address.

Classified stations and branches are not symbolized in the State alphabetical listing (See symbol under main post office listing).

Contract stations and branches are not symbolized.

Abbreviation of the names of States is shown directly beneath the name of each State.

The figures 1, 2, and 3 following the names of post offices represent the class of office. Offices, excluding stations and branches, without number, are fourth class.

The number shown to the left of each city is the ZIP code number for that city.

To determine the ZIP Code for specific addresses in zoned cities, it will be necessary to consult the ZIP Code directory for that city (See list—Zoned Offices For Which Individual ZIP Code Directories are Available), or a State ZIP Code directory containing such information for all zoned post offices in each State. If you live in a zoned city, the local ZIP Code directory is available from your post office without charge. Requests for other city ZIP Code directories should be made to the postmaster of the city for which a directory is desired, or to Headquarters Services Division, Post Office Department, Washington, D.C. 20260. If your city is not a zoned city,

your postmaster will, on request, advise you of the ZIP Code information for your local postal district.

A complete ZIP Code directory for all post offices in each State may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402.

Postal savings deposits can be made only at post offices, branches, and stations authorized to transact postal savings business, as indicated by the symbol (°) prefixed to name of office. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All branches and stations pay money orders, register letters and parcels, and sell postage stamped paper. Lettered and named stations, in addition, may receive, deliver, and dispatch mail matter. Money orders are issued at all post offices, branches and stations except those indicated by an asterisk (\*). At the larger military installations where postal units are formed to afford service to military personnel, and regular stations are not established, such units are designated for accounting purposes as money order units.

## INSTRUCTIONS to Mailers on Use of Parcel Post Zone Keys

Each unit of area is numbered, and post offices located within the unit are assigned unit zone numbers which are listed opposite the names of the post offices. A zone key has been prepared for each unit of area showing in numerical order the zones in which all other units are located in relation thereto. The

same zone key is used at all post offices located in any one unit of area. Branches and stations are located in the same county as that of the main post office, except those indicated by a footnote.

A local parcel post zone key, with a list of parcel post rates, may be obtained *free of charge* from your
