POD Publication 6

JULY 1, 1958

PREFACE

This booklet contains a list of first-class post offices with branches and named stations arranged alphabetically by States as of July 1, 1958. It has been prepared for use in mailing parcel post under readjusted size and weight limits, as modified by the Act of October 24, 1951 (Public Law 199).

Copies of this booklet may be purchased from the Superintendent of Documents, Government Printing Office, Washington 25, D. C., for 35 cents each. Remittance should be enclosed with order.

The information may be kept current by making corrections, deletions, changes and additions as they are published in the Postal Bulletin, beginning with the July 3, 1958 issue.

Inasmuch as the status of post offices is subject to adjustment effective July 1 each year based on receipts for the previous calendar year, the information in this booklet will be subject to revision on July 1, 1959.

The symbol (§) indicates summer stations or branches.

The symbol (||) indicates winter stations or branches.

The abbreviation "Ind." preceding the name of a station or branch indicates that it is independent for the receipt and dispatch of registered and other mail.
