SALARIES OF POSTMASTERS AND CLASSES OF POST OFFICES

July 1, 1946

F. Offices having city delivery. G. Offices located in Government buildings. V. Offices having village delivery.

Post offices of the first class are either direct or central accounting.

Post offices of the second, third and fourth classes are district offices, except in Guam.

*The Classification Act of 1945 provides that at offices where the gross receipts for the calendar year 1944 were \$600,000 but less than \$1,000,000, the incumbent postmaster as of July 1, 1945, will continue to receive a salary of \$6,000 notwithstanding the rate fixed by the act. In the event of a change in postmasters at those offices the salaries will revert to the rate fixed by law. The offices coming under this provision are indicated by an asterisk (increased to \$6,400 by P. L. 386, approved May 21, 1946).
