STATE LIST

POST OFFICES, BRANCH POST OFFICES, AND STATIONS.

JUNE 10, 1922.

[For Supplement containing changes to July 1, 1922, see Index.]

* Domestic money order offices. † International money order offices. ° Postal savings depositories. ‡ Summer offices.
 ‡ Winter offices.

The office numbers preceding the names of post offices must be used in all correspondence with the Auditor and the Post Office Department, and on all vouchers, statements, and accounts.

The unit numbers, used in parcel post business, follow the names of the counties. A branch office or a station is in the same unit as the main office. The space following the unit number is provided for the insertion of the same number.

Postal savings deposits are received only at the post offices, branches, and stations that are authorized to transact postal savings business. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All stations issue and cash money orders, register letters and parcels, and sell postal supplies. Lettered and named stations, in addition, receive, deliver, and dispatch mail matter.

Money orders must be drawn only on the main office or branch offices, not on stations, but may be cashed at either the main office, branch office, or any station of such office.

Independent stations, indicated thus (Ind.), receive and dispatch registered mail in the same manner as post offices, and are the only stations to which postmasters address registered package jackets.

County seats (ch) and the number of rural routes emanating from certain offices are shown in the list of post offices arranged by States and counties.
