STATE LIST

POST OFFICES, BRANCH POST OFFICES, AND STATIONS

JULY 1, 1949

(For subsequent changes, see Quarterly Supplements)

- Offices not issuing money orders.
- † International money order offices
- Postal savings depositories.

- ‡ Summer offices.
- § Winter offices.
- z Classified station or branch.

The office number, shown in the column headed "No.," must be used in all correspondence with the General Accounting Office and the Post Office Department, and on all vouchers, statements, and accounts.

The parcel post unit number for each post office, branch and station is shown in the column headed "Unit". The space following each unit number in the column headed "Zone" is provided for insertion of zone after its determination from zone key. Refer to Art. 56, page 23, for information relative to use of zone keys.

Postal savings deposits can be made only at post offices, branches, and stations that are authorized to transact postal-savings business, as indicated by the symbol ° prefixed to name of office. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All branches and stations pay money orders, register letters and parcels, and sell postal supplies. Lettered and named stations, in addition, receive, deliver, and dispatch mail matter.

Money orders are issued at all post offices, branches and stations except those indicated by an asterisk (*).

Money orders shall be drawn on the main post office or branch office, but not on stations thereof.

At the larger camps and forts where postal units are formed to afford service to the army personnel, and regular stations are not established, such units are designated for accounting purposes as money-order stations. They are listed under the base post office.

Independent branches and stations, indicated thus (Ind.), receive and dispatch registered mail in the same manner as post offices and are the only branches and stations to which postmasters address registered jackets, sacks and pouches.
