STATE LIST

POST OFFICES, BRANCH POST OFFICES, AND STATIONS

JULY 1, 1951

(For subsequent changes, see Quarterly Supplements)

- Offices not issuing money orders.
- † International money order offices.
- Postal savings depositories.

- § Summer offices.
- ¶ Winter offices.
- z Classified station or branch.

The office number, shown in the column headed "No.," must be used in all correspondence with the General Accounting Office and the Post Office Department, and on all vouchers, statements, and accounts. Branches and stations are not numbered.

The parcel post unit number for each post office, branch and station is shown in the column headed "Unit". The space following each unit number in the column headed "Zone" is provided for insertion of zone after its determination from zone key. A branch office or a station is in the same unit as the main office. Refer to Art. 60, page 22, for information relative to use of zone keys.

Postal savings deposits can be made only at post offices, branches, and stations that are authorized to transact postal-savings business, as indicated by the symbol ° prefixed to name of office. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All branches and stations pay money orders, register letters and parcels, and sell postal supplies. Lettered and named stations, in addition, receive, deliver, and dispatch mail matter.

Money orders are issued at all post offices, branches and stations except those indicated by an asterisk (*).

At the larger camps and forts where postal units are formed to afford service to the army personnel, and regular stations are not established, such units are designated for accounting purposes as money-order stations. They are listed under the base post office.

Independent branches and stations, indicated thus (Ind.), receive and dispatch registered mail in the same manner as post offices and are the only branches and stations to which postmasters address registered jackets, sacks and pouches. (See page 480 for post offices in the Pacific Islands.)

ALPHABETICAL LIST

POST OFFICES BY CLASS, BRANCH POST OFFICES, AND NAMED STATIONS

JULY 1, 1951

(For subsequent changes see quarterly supplements)

Consult the list of post offices arranged by States (State List) for post-office numbers, parcel-post unit numbers, money-order service, postal-savings depositories, branch post offices, stations, and summer and winter post offices. Independent branches and stations, indicated (Ind.), receive and dispatch registered mail in the same manner as post offices and are the only branches and stations to which postmasters address jackets, sacks, and pouches.

Consult the list of post offices arranged by States and counties (County List) for county seats, the number of boxes on rural and star routes and the number of post office boxes at offices not having city letter carrier service.

The figures 1, 2, and 3 following the names of post offices represent the class, and those offices, excluding stations and branches, without number, are fourth-class.

C. Offices having city delivery. G. Offices located in Government buildings. V. Offices having village delivery.
