STATE LIST

POST OFFICES, BRANCH POST OFFICES, AND STATIONS

JULY 1, 1953

(For subsequent changes, see Quarterly Supplements)

* Offices not issuing money orders.
 † International money order offices.
 ° Postal savings depositories.

§ Summer offices.
 ¶ Winter offices.
 z Classified station or branch.

The office number shown in the column headed "No.," must be used on all vouchers, statements, and accounts and in all correspondence with the Post Office Department and the General Accounting Office concerning these vouchers, statements, and accounts. Branches and stations are not numbered.

The parcel post unit number for each post office, branch and station is shown in the column headed "Unit". The space following each unit number in the column headed "Zone" is provided for insertion of zone after its determination from zone key. A branch office or a station is in the same unit as the main office. Refer to Art. 69, page 24, for information relative to use of zone keys.

Postal savings deposits can be made only at post offices, branches, and stations that are authorized to transact postal-savings business, as indicated by the symbol ° prefixed to name of office. Withdrawals must be made at the post office, branch, or station at which the depositor maintains his account.

All branches and stations pay money orders, register letters and parcels, and sell postage stamped paper. Lettered and named stations, in addition, receive, deliver, and dispatch mail matter.

Money orders are issued at all post offices, branches and stations except those indicated by an asterisk (*).

At the larger camps and forts where postal units are formed to afford service to the army personnel, and regular stations are not established, such units are designated for accounting purposes as money-order stations. They are listed under the base post office.

Independent branches and stations, indicated thus (Ind.), receive and dispatch registered mail in the same manner as post offices and are the only branches and stations to which postmasters address registered jackets, sacks and pouches. (See page 483 for post offices in the Pacific Islands.)

Independent branches and stations, indicated (Ind.), receive and dispatch registered mail in the same manner as post offices and are the only branches and stations to which postmasters address jackets, sacks, and pouches.

Consult the list of post offices arranged by States and counties (County List) for county seats, the number of boxes on rural and star routes and the number of post office boxes at offices not having city letter carrier service.

The figures 1, 2, and 3 following the names of post offices represent the class, and those offices, excluding stations and branches, without number, are fourth-class.

C. Offices having city delivery. G. Offices located in Government buildings. V. Offices having village delivery.
